## 2024 USCMA Conference Registration Fees

### USCMA Membership Status

USCMA membership covers administrative costs for the conference. If you are not a member of USCMA, you can join at the special conference rate of \$100 (for an individual member). Your membership will begin immediately, and you can vote and hold office. If you prefer not to join, there is an additional \$150 fee to cover administrative costs.

### Registration & Room Options

We encourage double-occupancy. Your willingness to share a room will allow more people to attend the conference and create a greater sense of community. You may also register as a commuter and stay in a local hotel of your choosing. In-person participation is limited to 120 people.

#### Registration Includes:

##### In-person Registration

Parking, conference materials, speakers, other conference activities, and six meals.

##### Double Occupancy & Private Registration

Two nights at the Pallottine Retreat Center are included for those who choose double occupancy or private rooms. If you choose double occupancy, you may either identify the person you will share your room with or ask USCMA to match you.
